

We Need a Little Elmwood

Haul out the programs
Put up the set before my spirit falls again
Fill up the wine bar
I may be rushing things, but fill the seats again now
For we need a little Elmwood
Right this very minute
Actors in the Tarson
Music at the spinet
Yes, we need a little Elmwood
Right this very minute
We haven't had a single show day
Not until there is a safe way,
So climb up the rigging
Turn on the brightest string of lights we've ever seen
Slice up the meatloaf
We need a champagne toast after the opening night's bow.
For we've grown a little fatter
Grown a little colder
Grown a little sadder
Grown a little older
And we need a lively show tune
Ringing in the rafters
We need a little Elmwood now
For we'd grown a little leery
Grown a little doleful
Grown a little weary
But now we're feelin' hopeful!
So we need a LOT of music
Need a LOT of laughter
We need a little Elmwood now
We need a lot of Elmwood now!
